

WOODY & STEINA

here is my selection from  
WHO'S WHO, punted out from  
computer (selections are from 10,000  
biographies - down to 778 - most  
important parts of those bios typed  
in by me - a work of Sys 2 phas)  
now making hypertext connections,  
composing music, images etc,  
overwhelming funding problems,  
no apt or studio, fighting for  
my life - which is why I've  
been out of touch -  
Probably moving to East Berlin  
in 10 days where I'm trying  
to arrange for the last act of  
the GDR gov't to give  
me a slum apt. !!  
found theater for the performance  
also in East Berlin Cinema  
1928 Bankhaus
