PETITION

APPROVED IN PRINCIPLE BY THE DELEGATES TO THE MATRIX INTERNATIONAL VIDEO CONFERENCE IN VANCOUVER, BRITISH COLUMBIA, ON 19 JANUARY 1973.

As with Film and Art Competition and Contests, Video Competitions serve primarily to aggrandize the institution hosting the competition or contest. These competitions are rarely beneficial to the entrants who often must pay to submit their tapes which are shown to audiences where admissions are charged. Typically money awards are meager and subsequent distribution deals don't pan out favorably for the videotape artist/producer. Often the only advantage is publicity, and sometimes not even that.

We, the undersigned, are not interested in competing with each other in Video contests and competitions. We welcome non-competitive festivals and the development of honest and reliable distribution and exhibition networks where videotapes are purchased or rented after selection by the distributor, exhibitor, or viewer.

We are willing and we encourage the rental and exhibition of our videotapes separate from and independent of any competitive context.

Competitions serve only to alienate videotape artists/producers from each other, competitions reflect less the quality of the tape and more the bias of the judges, and they may enforce sanctions and political restrictions on the artist/producers future work. This "reinforcement syndrome" breeds a star system which we, the undersigned, abhor and wish to avoid.

This does not mean that we the undersigned feel there exist no qualitative and/or aesthetic differences among videotape artists and producers. However, we do feel that in this emerging communicational art form there remains a chance to avoid the entrenchment of a small group of taste dictators who have limited the viability of diversity in other media. We wish to avoid the creation of a group of such taste makers who would arbitrate values in tape production while never having made tapes themselves.

Therefore, we, the undersigned hereby agree not to enter videotape competitions or contests, or to accept any awards derived from the exhibition of our tapes (rented or purchased) in support of such contests.
