MERC CENTER
Coordinator

August 30, 1976

The following equipment is now available for loan to your organization: Sony DXC-1600 color camera, AVC-8400 color recorder and 12" color monitor/receiver. Also included in the system: color RF unit, color pack, external mike and headphones. Application for use of the equipment should be made through Media Equipment Resource Center-MERC. If you wish to apply, please send the enclosed application well in advance of the dates that you will need the color system. You will be notified of the time period for which you are scheduled. If you have any questions, please call.

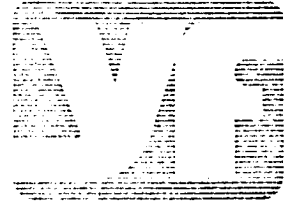

Sincerely,

Suzanne Langle
