FESTIVAL

24 A 31 DE JULHO 97

Rio de Janeiro, 05/08/97

Dear Steina Vasulka,

We are very glad to inform you that 13o Rio Cine Festival was a great success. For a week we had video, electronic arts, film and tv screenings taking place in different spots in Rio de Janeiro. Promoting meetings, discussions and also increasing the audiovisual scene in our city.

We would like to tell you that all this could not have happened without your cooperation. We thank you very much for your participation in our event.

We are sending your tapes back, as well as our catalog. We hope we can count again with your participation next year and continue this important work.

Best regards,

Iafa Britz
