Dear Woody,

Thank you for the enjoyable evening I spent with you
and your artist-wife.

After giving it some thought I suggest the following.

- (1) group together a group of artists that meet your standards
who can produce video-tape, one half inch, black & white.
- (2) let us form a company as a group, for the purpose of making
money thru the sale of, films already made and edited to
the 15 minute to 20 minute format.
- (3) i will upon my return from Europe, Nov. 15th, be able
to set up some shooting of basic tracks for various
musical groups at recording studios to prepare an audition
tape to premiere at a party for all the record company A. & R.
people to be held Mid-town.

I doubt that we will be able to gether as we discussed, before
we leave, but let me know your thoughts on this by calling
me after 6:30 pm one day this week.

Paul Bley.
