Dear Ms. Colodny,

We recently discovered your letter  
(attached) which had been  
overlooked.

The Vasulkas would be very  
interested in participating in an  
event at COCA.

Are you still interested for the  
upcoming year?

I enclosed some information  
about recent installations and  
performances.

Please let us know. I apologize  
for the delay in responding.

Sincerely,

Melody Summer
