Steinunn Vasulka
257 Franklin St.
Buffalo, NY 14202

Dear Steinunn,

The National Conference on Public Access Cable Television, to be held on August 25, 26, & 27 of this year in San Diego, is interested in showing some of the tapes that were used in the First Vermont Video Festival. If you would like your tape to be considered for viewing during the conference could you please complete the two enclosed forms and return them to me at the above address. (You are both the producer and applicant.)

Again, I would like to thank you for contributing to the First Vermont Video Festival.

Sincerely,

Paul McIsaac

The Vasulkas
257 Franklin St.
Buffalo, NY 14202

Dear Vasulkas,

The nation-wide response to our request for tapes dealing with community media has assured the success of the "First Vermont Video Festival". Because of the large number of entries we recieved only a few can be shown during the festival and yours was among those selected. The festival is now scheduled to run from 6-10pm on Saturday and Sunday nights, July 15&16. Most of this time will be used for viewing the selected video tapes, but there will be short live segments in which participants who attend the festival will be interviewed about their tape and their involvement in community media.

After the Vermont festival we are considering touring around parts of New England with the same video show that we will present in St. Johnsbury. Various groups have indicated an interest in presenting the show, among them the Donnell Library in New York City, the Weber County Library in Utah, and the Maine and Vermont Cable Systems. We would like permission to use your tape in any of these shows. The tapes would be returned after the tour is over, but if you prefer not to have your entry be part of the tour then your tape will be returned after the Vermont show this weekend. Could you please let us know if we can use your tape as part of the tour.

Sincerely,

Sharon Goldenberg
