Dear Steina,

Thanks so much for sending all that information on your tapes for the video catalogue. It's so very helpful.

I know you'll be glad to hear that I have, at last, found the listings for the open screenings in 1971-1972. You kept quite a record, at a time when so very few were interested in keeping records. Anyway, were these the only video shows at that time, or were there also scheduled screenings? (No matter how hard I try, I haven't been able to find the calendars for that first year.)

I've enclosed additional forms for those tapes which were screened in 1971-72. I'd really appreciate it if you would fill them out.

Also, would it be possible for us to talk at some about the artists who were presented here in the early Seventies? Any time would be good for me.
