

Welcome to The Kitchen

This place was selected by Media God to perform an experiment on you, to challenge your brain and its perception. We will present you sounds and images which we call Electronic Image and Sound Compositions. They can resemble something you remember from dreams or pieces of organic nature, but they never were real objects, they have all been made artificially from various frequencies, from sounds, from inaudible pitches and their beats.

Accordingly, most of the sounds you will hear are products of images, processed through sound synthesizer.

Furthemore, there is time, time to sit down and just surrender. There is no reason to entertain minds anymore, because that has been done and did not help, it just does not help and there is no help anyway, there is just surrender the way you surrender to the Atlantic Ocean, the way you listen to the wind, or the way you watch the sunset and that is the time you dont' regret that you had nothing else to do.
