At the METACOLOR Studio, you v
brochure and report covers; effe
text and graph slides; dynamic f

Your existing artwork —
photographs, illustrations, type
or logos — will be introduced
into the METACOLOR
computer system through a
high-resolution video camera.
They will be transformed into
powerful graphic designs with
many times the impact of a
normal image.

INPUT

cvi

Original artwork can be:
B&W prints, color prints, slides,
drawings, half-tones, wood-
cuts, titles, logos, 16mm film,
videotape or small three-
dimensional objects.
